Bath Bench

Color: Gray
Style: Non-Assembled
Weight capacity: 250 lbs
U/M: Case of 2
Item #: MDS89745R

Bath Benches Provide Maximum Patient Comfort and Stability Thanks to Angled Legs and an Ample Seat

Increased patient comfort comes from the generous, high-density polyethylene seat and back (20"W x 12"D) and angled legs that distribute weight over a larger area. Suction-cup tips on all four legs provide even more stability and safety. Durable aluminum frame is corrosion resistant and features seat height adjustments in 1-inch increments.

Limited lifetime warranty on frame. Six month warranty on handles, feet, suction cups, push buttons, and any "wearable" parts.

Packaging: 2 benches per case

Mobility/Safety > Bath Safety Accessories > Bathing

Color: light blue
Style: Inflatable Shower
Weight capacity: 2 1/2 gals
U/M: Case of 1
Item #: MDS81815

Inflatable EZ-Shower Simplifies Sponge Bathing

This 2 1/2-gal container hangs on bedpost or I.V. pole with strong nylon cord. Easy-fill spout helps prevent splashing and snaps shut for a watertight seal. Long, flexible 4-ft hose with on/off switch allows attendant to control and direct water flow. Made of heavy-duty, mildew-resistant vinyl with a sturdy wooden carrying handle.
