

**"Diaper Booster Pads"**

PBE 2770

**"Diaper Doublers Ups"**

MSC 326005

**"Mini Booster Pads"**

PBE 2072

Diaper Doublers insert pad. **Heavy Duty** great for the heavy wetter, overnight, train, plane, and auto trips.

Double-Ups and Mini Boosters both have an adhesive strip to hold doubler in place; the Diaper Booster pads do not, however they fit snugly into the diaper.

**NEW & IMPROVED!! Diaper Doublers**  
**Choose from three styles**

[press here](#) Landfill Earth friendly, Latex Free!!

Diaper doublers originally made by Tyco Healthcare <sup>TM</sup>  
**This product is no longer being manufactured.** Supply has been extinguished and this item has been discontinued. We apologize for any inconvenience. The machine was dismantled, making way for new Diaper Doublers.

New Diaper Doublers baby diaper insert is terrific for rapid high volume absorbency designed to keep your baby's skin clean & dry with the added absorbency of another diaper, without the extra bulk!

**Try our new Diaper Double Ups, NEW AND IMPROVED DIAPER DOUBLERS;** we guarantee you'll love them, or your money back!
